

App Store description

[5 stars] - "It's very beautiful and funny!! :) Try it! :)"

[5 stars] - "Strikingly beautiful, both the content and the graphics and music."

[5 stars] - "Fun! Exhilarating! It even stimulates the gray matter that is always too low functioning!"

[5 stars] - "A very addicting game. What are you waiting for to download it?!?"

[5 stars] - "Very nice, well worth the money"

Wanna show to your friends and colleagues your Whiz talent?

Wanna test your skills trying to rise in the leaderboards and demonstrating your cleverness?

Now you can thanks to the Awesome Whiz Quiz! You will have several tests with 320+ questions at your disposal that also include two special tests: the Impossible Test and the Multilingual Test! Each test varies: there's enough for every kind of Whiz!

In addition to the wide range of areas that you will deal with, your mental work will be pleasantly surrounded by amazing graphics and a soundtrack that will get stuck in your head!

With the Awesome Whiz Quiz you will never get bored thanks to the many game modes inside the tests. That's not all! Each test doesn't end with the word "PASSED!" because we have created for you 60+ achievements to reach and unlock: do it and you can say that you have completed the game!

You will discover then that inside the game there are others hidden surprises. Each test includes a break which will put you in front of a challenge: keep your reflexes ready and begin to train your memory, you will really need it.

Also want to show to your Facebook friends your Whiz talent? Now you can share your scores and achievements that you unlock during the game, this will make your game even more fun. Not enough? You can also easily keep an eye on the scores of your friends at the Game Center: what are you waiting for to beat them all and show that you are more of a Whiz than them?!
